CRAFTSMEN OF STEEL

Neptune®

Remolding Steel with Absolute Precision

With an unwavering commitment to produce customized solutions for our customers, we have been crafting optimum steel furniture with a sharp eye for detail. Our adroit steel craftsmanship has helped us soar high in the domain of steel industry and our extensive range of products is considered second to none.

Prominent Yardstick of Excellence

Our Legacy

Neptune Industries is one of the most renowned manufacturers and suppliers of steel furniture predominantly utilized for white rooms in India. With a motive of providing international standard clean room furniture solution at competitive prices in Ahmedabad, Neptune was established in 2011 and has been climbing the ladders of success ever since. In today's cut-throat market, Neptune continues to be the leader under the guidance and strong leadership of owner Mr. Kunal Panchal. Our clientele consists of key market players such as Colgate, Hatsun, Adani, Troikaa & many more...

In the diverse Indian market where needs are constantly changing, Neptune follows the philosophy of customization. Thus, be it a traditional or a modern design, Neptune customizes to your exact requirement and cuts-costs to make sure that customer receives the utmost benefit. Being a quality-oriented organization, we are constantly upgrading our technology and knowledge in order to improve quality in SS Clean Room Furniture.

Vision

Our vision is to become global market leaders by providing valuable products that promises ease and better life.

Mission

To continue providing customized solutions to our customers and be the most trusted partner for high quality stainless steel Clean room furniture.

To continually improve our standards and include maximum innovation in our services.
